Subject: Special Accounts Senior Management Committee: Draft Meeting Notes and Action Items from July 8th meeting
Date: Thursday, July 22, 2010 1:42:02 PM
Attachments: [SA Committee Meeting Notes_07-08-10_DRAFT.doc](#)

On behalf of Jim Woolford, thank you for your participation at the Special Accounts Senior Management Committee meeting on Thursday, July 8th.

Attached to this email are draft meeting notes and action items from the meeting. If you have any corrections to the meeting notes or action items please provide them to Tracey Stewart by COB Friday, July 30th. We will provide final meeting notes and action items after all corrections are incorporated and will update the Management Strategy work plan based on activities outlined in the final meeting notes.

We will also post the materials from the July 8th meeting on OSRTI's Special Accounts Intranet page once the meeting notes have been finalized.

Again, thank you for your participation at the meeting! We welcome any suggestions or thoughts you have for the next meeting in December.
